The user must observe the manufacturer's application instructions.

This declaration of conformity is valid from the date of issue and its validity will endure as long as the preconditions specified below are fulfilled.

The declaration of conformity is issued under the precondition that the starting materials and/or their composition and formulation used to manufacture the product for on-site application, including their manufacturers and supply chain, have been disclosed in full and the product does not contain any further substances.

Klarco confirms that the product passes our quality inspections and complies with our quality requirements.
